3. Tazama chini kwa wema, tunakulilia wewe,
   Utuhurumie sisi, dhambi zetu zote dhambi tufanyazo.

4. Wachafu uwatakase, roho fungwa zifungue,
   Na wote waloanguka, kwa mkono kwa mkono wainue.

5. Wewe waelewa kuwa, utashi wetu dhaifu,
   Ibariki yetu toba, kwa masalaba na nguvu tupatie.

6. Kumbuka Bwana kumbuka, tuliumbwa na mwenyewe,
   Basi utusaidie, utusikie twaomba utuponye.
