

# Hakuna Awezaye Kukupinga Ukipenda

David B. Wasonga

Composition of this song is a result of the composer's encounter with the late Stan Mujwahuki when the former met with the latter

Ukonga, Dsm

at Ukonga RC Church in 2004. The composer was challenged on certain technical points on music composition. This composition was therefore dedicated to the late Stan Mujwahuki for his challenge to the composer of this song (and to all young catholic musicians in general)
