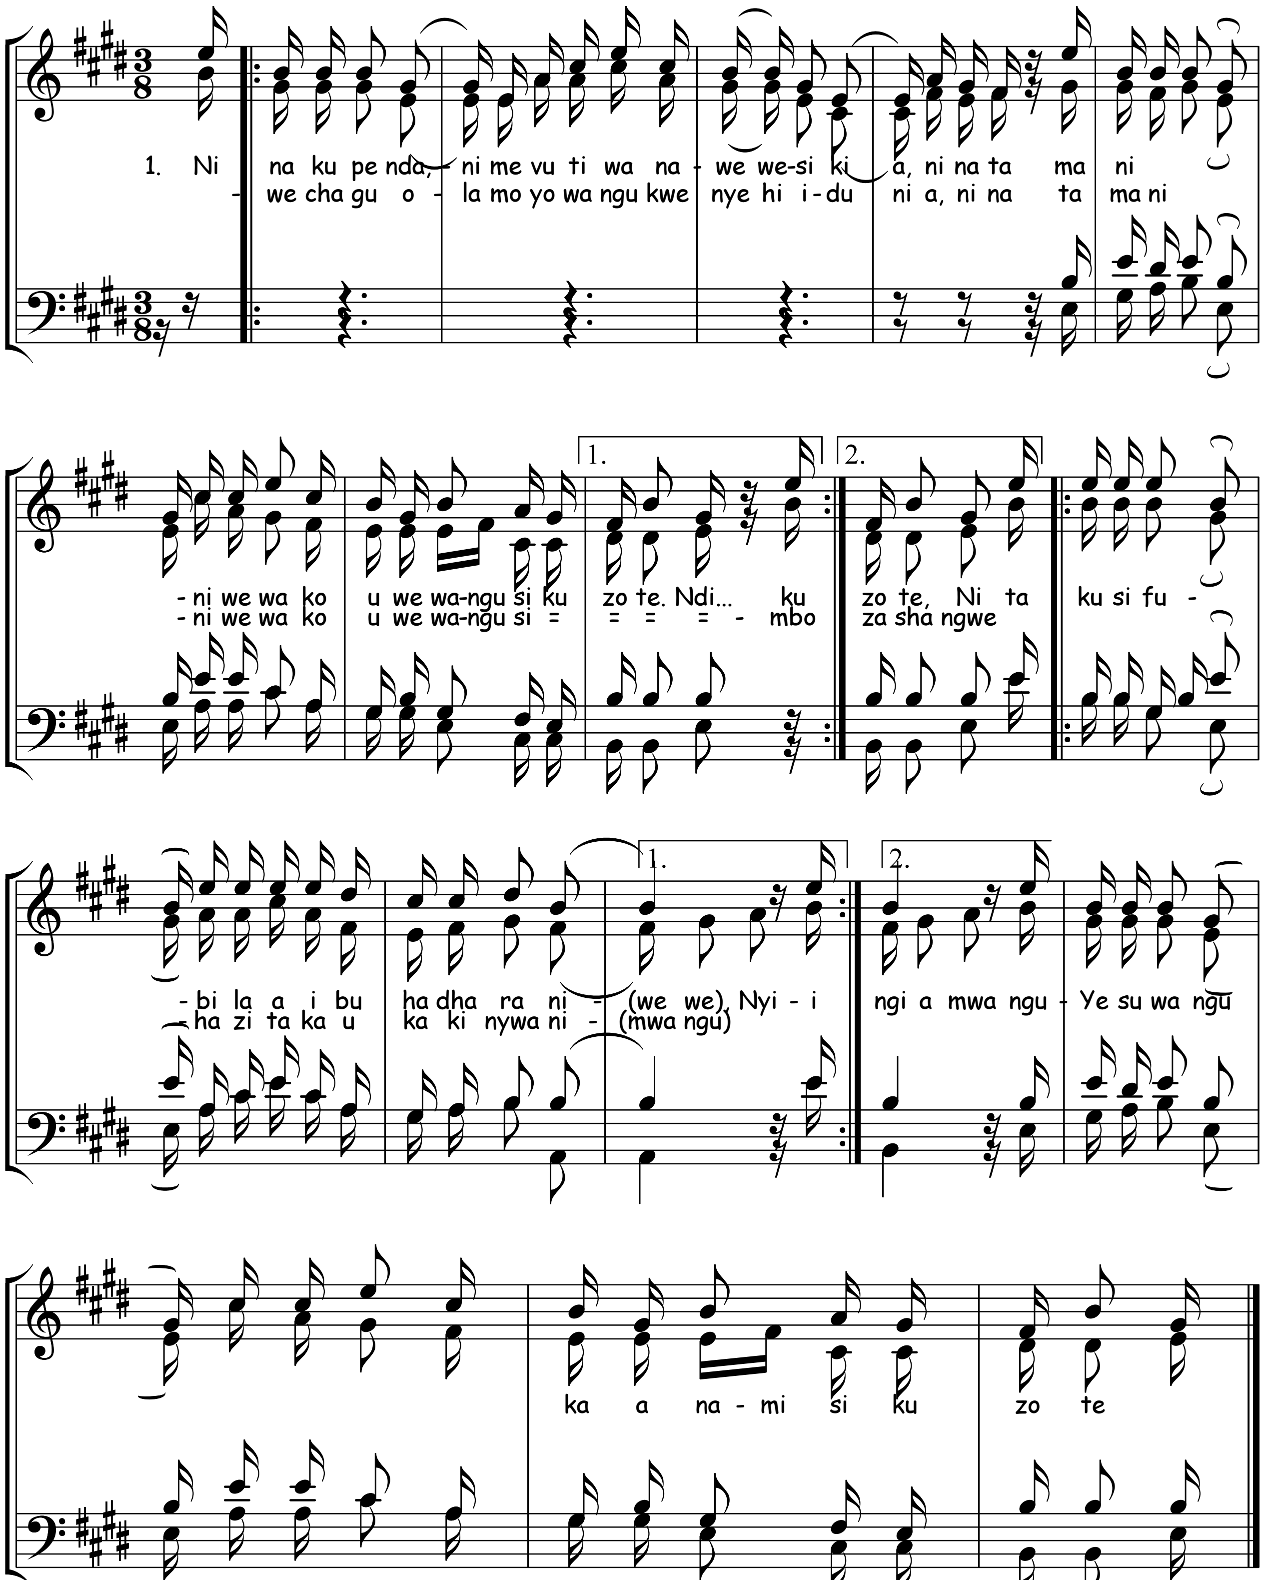
# NINATAMANI UWE WANGU

Na: Bernard Mukasa


2. Nimewaona rafiki wengi wanaonivizia, ninatamani niwe wako uwe wangu siku zote.
   Lakini wewe ndiye rafiki wa kweli na huria, ninatamani niwe wako uwe wangu siku zote.
   nitakusifu..........
3. Ulinipenda hata kabla mimi sijakusikia, ninatamani niwe wako uwe wangu siku zote.
   Msalabani bila hatia Yesu ukanifia, ninatamani niwe wako uwe wangu siku zote.
   nitakusifu...........
4. Katika raha usikawie njoo kufurahia, ninatamani niwe wako uwe wangu siku zote.
   Na kwenye shida sitachelewa nitakukimbilia, ninatamani niwe wako uwe wangu siku zote.
   nitakusifu...........
5. Nitakusifu milele yote nitakuhimidia, ninatamani niwe wako uwe wangu siku zote.
   Nitaziimba fadhili zako nitazisimulia, ninatamani niwe wako uwe wangu siku zote.
   nitakusifu..........
