2. We we ulimuumba m-tu, kwa sura na m-fano wako,
si mweupe wala mweusi, wote wanafanana na wewe,
Leo dunnia yashuhudia, ubaguzi kati ya watu,
Eti wengine ndio bora, kiliko wale watu wengine...WITO

3.Leo vita vinatokea, kati yazo n-chi nan-chi,
makabila ndugu na wale, walio na dini tofaouti,
wakubwa nao matajiri,leo wamekosa upendo,
kwa wale walio wadogo maskini wasiojiweza.....WITO

4.Machafuko sasa ni mengi, kwa pande zote za dunia,
madaraka dini siasa, vimekuwa vyanzo vya ugomvi,
nani aje kutunusuru, kututoa kwenye majanga,
kwani ukombozi wa dunia, uko katika Kristu Yesu...WITO

5.We we Bwana Mungu Mwenyezi, ulimtuma mwanawako,
akafia m-salabani, ili watu tupate kuishi,
Lakini leo twasahau, kazi ya ukombozi wetu,
tuungane sote pamoja, kwani Yesu ndiye kimbilio....WITO
