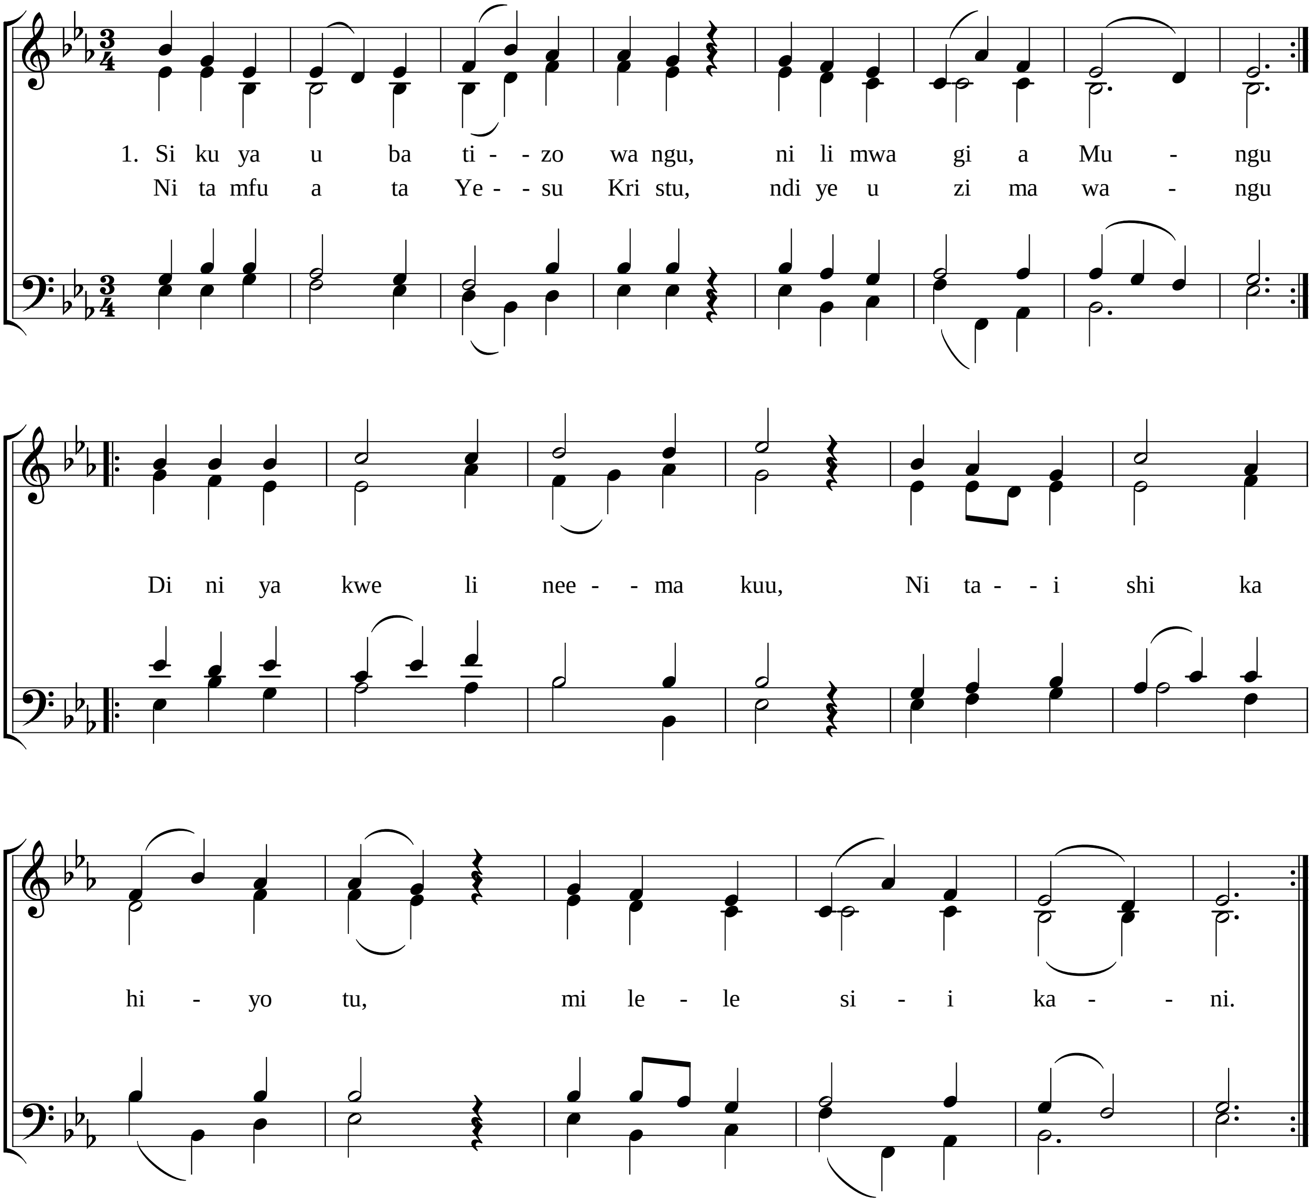
# SIKU YA UBATIZO WANGU


*2.Mbali shetani akimbie, Si mtumwa wake tena,*
*Nadhiri yangu niishike, Nitashindana vema,*
*Adui mbaya namkataa, Furaha zake na tamaa, Milele simfuati*

*3.Yesu mkombozi yumo hapa, kwa mwili na kwa damu,*
*Ye mwana wa mwenyezi Baba, Na pia mwanadamu,*
*Naiamini siri kuu, Sababu ya imani tuu, Milele nisadiki.*

*4.Yesu mchungaji anijia, Miye maskini dhaifu,*
*Nguvu apate kunifia, kwa mkate mtakatifu,*
*Namtumaini yeye tu, Nampenda kwa shukrani kuu, Milele nitamsifu*
